

CB 20

Manufactured from alimentary quality material, CB staples are photodegradable.
CB20 is recommended in large vineyards with medium to high constraints.
Economical, CB 20 staples take away your pickup time.
Practical, soft and light, they do not tangle with others in the pocket.
Without heavy metals, they do not harm wines during the pressing cycle.

Advantages

Practical and economic

Staples setup recommandations

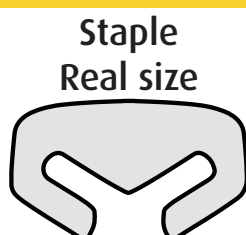

One staple between each stock.
No staple between stock and post.

Packaging

2 500 pieces by bag
6 bags by cardboard
